Greetings Unto the Populace of Cynagua!

It is with joyful anticipation that Our thoughts turn to the Coronet Tournament and Our Heirs. This is an exciting time for the whole Principality, and a time in which all of us share in the celebration of autumn and the chivalry, prowess and honor of those who seek the Coronet. We look forward to this season and hope that Our Heirs will join us in enjoying the wonderful foods prepared by our gifted Cynaguan cooks during the next few weeks, starting with the wonderful Coronet Royals Feast prepared by the Cynaguan Cooking Guild and the Princess' Tea to present the Lady of the Swan to the Populace.

We look forward to the Populace joining us in fellowship and community, feasting and fun throughout Our most beautiful and bountiful Shires, Baronies and Provinces. Please continue to share your recommendations for awards and honors, as you are Our eyes and ears.

Long live Cynagua! Long live The Kingdom of the West!

Prince and Princess of Cynagua

From the Arts & Sciences:

Greetings from the Office of Arts and Sciences of Cynagua:

In Service,

Baroness Anastasia Grinstead, OP

Your Cynaguan A & S Officer.

From the Chatelaine:

Greetings Cynagua!

As your Cynaguan Chatelaine, I am working hard to renovate our newcomer outreach. Of course, this works better if you work with me. So many times, we are too busy running about the event, and we forget that the person standing lost near the gate just needs a quick word of encouragement. I ask that you take a moment, say hello, and direct them to me. I will be on the Eric, in the black and white sunshade. I will have flyers and cards, and I will take the time to tell them what we are all about. We can't always wait for the person to ask questions.... we need to be proactive and reach out!

If you are a Chatelaine, or you have interest in being a Chatelaine, please come by and say hello. I would love to meet you and share with you my enthusiasm and joy regarding newcomers!

Yours in Service,

Arianwen

Chatelaine of Cynagua

From the Chirurgeon:

It is my honor and pleasure to now serve as your new principality chirurgeon. I hope I can live up to the long tradition of excellent leadership of my predecessors. To let you know how I view the role of the chirurgeon, my job is one of an advisor rather than an enforcer. The chirurgeon is not there to force safety or water or anything on anyone, nor to remove fighters from the field. But we are standing by, ready to assist any that requests or is in need of our services. Please don't hesitate to seek out myself or any chirurgeon at an event if you have any medical-related need or question. It is my intention to make the chirurgeonate readily available and prominent at all Cynaguan fighting events.

I am not well acquainted with all of the chirurgeons in this kingdom, but wish to get to know you all. If you are a Cynaguan chirurgeon, or have any desire to be one, I will be available at chirurgeon's point most of Cynaguan Coronet, and request that you stop by, say "Hi," and discuss any issues that are on your mind.

See you at the point.

Gregory of St Albans

From the Copper Spoon minister:

Thank you

IYS
