Last words are more difficult than other words that We've sent out to Our Principality and the West Kingdom. We have had an amazing time as the Prince and Princess of Cynagua. We have traveled throughout the Principality and the Known World during Our tenure. The people that We have met, spoken with, art-ed with, fought alongside and against, and partied with leave Us filled with optimism for this wonderful experiment started more than 50 years ago.

We experienced kindness from all corners of the SCA. We learned stories of Cynagua's rich history. Our eyes were opened to the positive impact that energy and good will can have on a populace. The people of Cynagua embraced Us fully and without any reservation. The generosity and acceptance seen in Our Principality astounds Us. There is no better place in the SCA than Cynagua.

Simply put- thank you. It has been magical for Us.

Heinrich and Else  
Prince and Princess of Cynagua

## Hola Cynagua Artisans!

Have you thought about what makes an A&S Champion in Cynagua? Maybe you have seen the cool medallion of the Lumens Cynagua and thought, “Wow! I would like one of those”. Well, you can earn a Lumens Cynagua, but you need to plan for this now. Here is the Law:

### **Article V: Traditions**

#### **Section 1 – Arts/Sciences Championship**

*The Minister of Arts & the Minister of Sciences, acting in concert, will be responsible for scheduling a series of eight (8) competitions (four art and four science competitions) over the course of the year to determine the individual with the foremost skill in the medieval Arts and Sciences. Starting with Spring Coronet and ending with Winter Investiture, an Arts competition, as well as a Sciences competition will be held at each Principality event. These will serve as the basis for the yearly Arts & Sciences Championship, or “Lumen Cynagua.” To be eligible for the Championship, a competitor must enter a minimum of four (4) of these eight (8) competitions. While multiple items may be entered in a competition, only the highest score in each competition will count toward the Championship. The competitor with the highest total of four scores will be*

*named Champion. The competition will be open and limited to those residing in the Principality throughout the entire year. The winner will be awarded the “Lumen Cynagua” in court at the Spring Coronet following the last competition, i.e. Winter Investiture, and styled Champion of Arts and Sciences as well as the Principality Artisan for the following year.*

This year, no one is eligible, but I am trying to give you a heads up! Next year, our competitions will be strictly to bring your projects and submit them at all four opportunities. Each competition will need to have its own project, but by showing your Championship skills (you don't have to win all the time) you can earn this accolade. So, start preparing to show your art at May Coronet!

## **To Fly with the Bonny Black Swan**

Duibheasa Inghean Fhliann

The day finally came in AS 39  
When I could ignore Her call no more  
My destiny spun by the turn of the Wheel  
To fly with the Bonny Black Swan  
Cynagua my home  
This land that I love  
The home of the Bonny Black Swan

For years in my dreams  
The Swan called to me  
Urging me cast off my fears  
To take the leap of faith  
And dare to explore  
And fly with the Bonny Black Swan

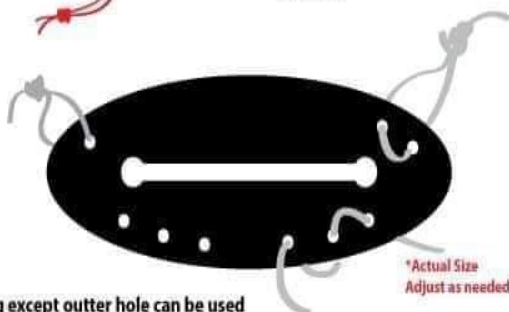

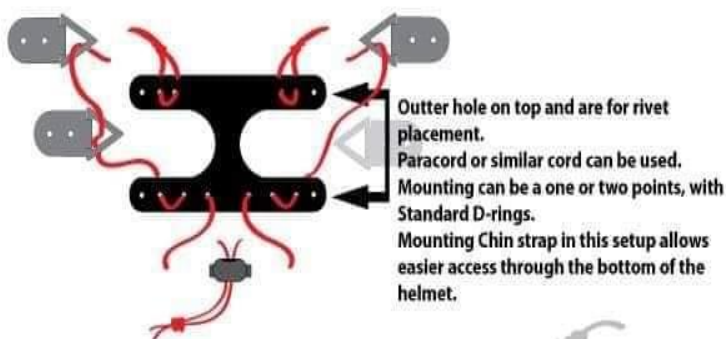

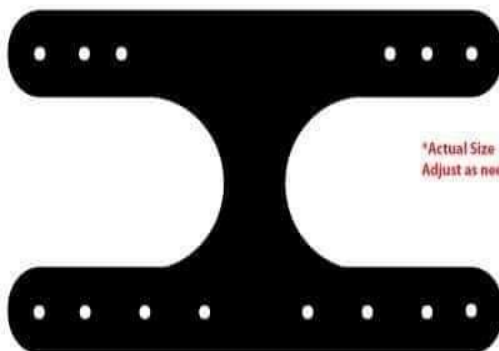

When I answered the call  
All promise came true  
No longer the stranger am I  
I've traveled to lands  
I'd not before seen  
I've seen wonders and treasures untold  
But the dearest to me are the people I've met  
As I fly with the Bonny Black Swan

New things have I learned  
And am learning them still  
In the home of the Bonny Black Swan  
My wish has come true  
That family I'd find  
The empty spot in my heart has been filled

If destiny calls that I should travel away  
From the home of the Bonny Black Swan  
New friends would I meet  
I've no doubt of that  
But Cynagua will always be home  
Cynagua my home  
This land that I love  
The home of the Bonny Black Swan

# Chin Strap Templates

Same lacing except outer hole can be used for looping your cording. rivet is not needed on this version. Top mounting can be either one or two holes based on preference.

I learned this chin strap setup from Sir Walerich Von Bredereke who has been a great help to me

Site opens at 9:30 am - Lessons will start at 10:30

\*\*\*\*Please Note the Ranch is on Illinois. If you type Double N Ranch into your mapping program, it takes you to the right place. If you type in the address, it may or may not.\*\*\*\*\*

Friendly to green horses. New to horses? This is a great, supportive environment to come try things. Green horses and beginning riders are welcome to participate.

There is no fee to attend. If you bring an equid, there is a \$10 Haul in fee payable to Double N Ranch.

We are trying something a little different this year, reviving an older practice format.

The first part of the day will be 20-30 minute semi-private riding lessons with Else working on horsemanship and equitation topics. Lesson start times mean tacked up and ready to ride.

If you would like a lesson, please contact Else. You are responsible for arranging for a horse or mule. That can mean arranging for rentals, bringing your own, or asking one of the horse owners in advance if you can borrow one of theirs.

Later as a group, we will work on games, open sparring and other activities. Group times will be announced about a week before the practice, once lesson times are set.

For the most up-to-date information, please check out the FB event page or email the EqMIC

# Windy Meads Hunt and Novelty Shoot

Sunday March 22<sup>nd</sup>, 9AM – 5PM

In the spring a young one's fancy lightly turns to thoughts of ... Archery! The season is here! Young and not-so-young alike - grab your bow and join us under the trees of Yolo County's premier forest for our annual Hunt and Novelty Shoot! Life-size 3-D foam animals sheltering under the trees await your arrows. Watch out for that 9-foot grizzly! Can you hit the enemy fighters popping up from behind the barricade or that giant red dragon flying across the field? Targets suitable for beginners to champions will be in the mix. Youth and novice archers are encouraged to join in the fun and some loaner gear will be available. No compound bows (SCA rules) or crossbows (Club rules).

Not interested in shooting? Join us anyway and work on your project under the trees.

Lunch will be pot-luck — salad or main dish — Shire will provide dessert. Shooting is expected to be complete about 4:00 PM.

Closed-toed shoes are highly recommended, the grass is loaded with barbs, burrs, bugs, and can be uneven.

Pets: Dogs are welcome on site, but must be on a leash. Please also be aware and take into account there are wild critters on site. Mostly lizards, squirrels, and a variety birds.

Gate opens at 9:00 AM and the shoot starts at 10:00 AM; site closes at 5pm.

We will be setting up a period encampment where attendees can explore activities essential to medieval life.

If you wish to participate as a volunteer, please contact the Demo Steward Bjorn well in advance of the Demo with your interest and how you hope to contribute to the Demo. The Baronial Seneschal Seamus is assisting in organizing the Demo and serving as Bjorn's backup.

Only Volunteers approved by Bjorn or Seamus are permitted to attend the Friday Demo.

Rivenoak has been working to develop a strong relationship with local schools. This demo is an important contribution to the SCA's educational mission. This demo will be a lot of fun but must be conducted in an appropriate manner. Please do not show up without prior permission.
